

CV

Mehmet Uysal (2001, Istanbul - Turkey)

Senior student in Psychology and Visual Communication Design

With my background in Psychology and Visual Communication Design, I analyze practices of coexistence within everyday life. I transform data into projects through digital mapping and printed publications. In my work, I focus on creating structures that make urban experiences and stories visible and engage with users.

Experience

September 2025 - 2026, TÜBİTAK 2247 - C Researcher Programme (STAR), Istanbul

I am participating as an undergraduate researcher in the project titled “Daily Mobility in Istanbul at the Turn of the 19th Century and the Beginning of the 20th Century,” led by Dr. Müge Özbek from Kadir Has University.

Through this project, I have the opportunity to examine the daily life practices of Istanbul within its historical context while also working on visual narration and representation methods.

August 2025, Design Internship, Dogu Karadeniz Development Agency, Trabzon

During my design internship at the Dogu Karadeniz Development Agency, I worked on creating visual communication solutions for projects focused on regional development and sustainability.

December 2024 - July 2025, Work & Study, Istanbul Bilgi University, Istanbul

I worked with integrated library systems at Istanbul Bilgi University Library. I performed various library functions such as cataloging and circulation modules.

September 2023 - December 2024, Art Internship, Ferda Art Platform, Istanbul

I assisted photographer Dilek Yaman in examining, looking at and organizing her archive. Working on SilverFast, a scanner software, we scanned film negatives and archived photographs to be used in her artworks. During this period, a solo exhibition titled IN DREAMS, WE UNITE took place at Ferda Art Platform. To view the exhibition catalog:
